Project Proposal

Proposed Project Title

Proposed Budget Amount – Must match the budget attachment

Area of focus for your project – Select all that apply

- Public health awareness messages to stop the spread of COVID-19
- Civic engagement, including election participation
- Social justice and community engagement

Select the community the project is intended to serve

- Merced
- Stanislaus

- Public awareness related to water and energy conservation, climate mitigation and emergency preparedness, relief and recovery
- Tuolumne

Project Proposal Continued

Provide a summary of the project. Include a clear and concise description of the project emphasizing the objectives, the need for the project, and the plan for execution of the project

Describe how your project directly engages communities in the bottom quartile of the California Healthy Place Index

How does your project accomplish one or more of the programs focus areas?

Project Proposal Continued

Provide a timeline for the project and detail all proposed activities during each phase as well as any/all communities in which each phase occurs. Your timeline should clearly define the four phases: Project planning, Production/Creation, Public Presentation/Distribution, Evaluation. It should also be made clear the physical location/communities where each phase will be occurring.

What are the goals of your project? What are the expected outcomes?

Provide a brief biography for key individuals involved in this project. Include name, title, whether they will be supported by the grant, relevant experience as it pertains to the project and role within the proposed activities.

Project Proposal Continued

Describe who and how many your project will serve, including ages and age ranges. List all locations being served for the project.

Project Budget

Direct Project Expenses

Directions: For each type of expense that will be incurred under the grant, provide the expense type, description, and amount. Descriptions should be brief, but clear and concise. This amount should be 20% or less of your overall project budget.

Expense Type	Description	Amount
Materials Cost		
Space Rental / Storage		
Equipment Rental		
Costume Rental		
Construction Materials		
Transportation & Travel		
Permits & Fees		
Insurance
